

WEST GLAMORGAN SAFEGUARDING BOARD

About Us

The West Glamorgan Safeguarding Board (WGSB) was established to promote, inform and support multi agency safeguarding for Children and Adults across Neath Port Talbot and Swansea.

We are the key statutory mechanism for agreeing how organisations will co-operate to safeguard and promote the welfare of Children and Adults living in the region.

The WGSB is a multi-agency forum which brings together representatives of each of the main agencies and professionals who are responsible for helping to protect Children and Adults from abuse and neglect.

The WGSB is responsible for agreeing on how the different services and professional groups should co-operate to safeguard children and Adults, and for making sure that arrangements work effectively in bringing about better outcomes for Children and Adults.

‘Safeguarding means protecting people's health, wellbeing and human rights, and enabling them to live free from harm, abuse and neglect. It's fundamental to high quality health and social care’

‘We aim to safeguard and protect adults and children at risk, so that they live a life free from abuse and neglect.’
