

# HAVE YOUR SAY: WHAT MATTERS TO YOU IN YOUR COMMUNITY

Our goal is to better understand what matters to the communities we serve. Your responses will help us identify key issues across Swansea and Neath Port Talbot, which will play a critical role in guiding the future work of the West Glamorgan Safeguarding Board and its Partners.

**How to have your say?**

What's National Safeguarding week?

National Safeguarding Week is a time when organisations come together to raise awareness of important safeguarding issues.

Safeguarding is everyone's responsibility

If you are worried or concerned about someone, please contact the appropriate service for your area below :

## For Neath Port Talbot:-

### For Child Reports/Referrals
